## Happenings

*Dear Family and Friends,*

Our summer camps are officially over and it was a great season! I have put a few pictures of kids from the 3-4th grade camp, (including one of Grace). The picture in the top left is of a girl reading a Bible verse while competing during quiz style Bible drills. We started doing this a few years ago with that age group because we found that a lot of kids and teenagers don't even know where books of the Bible are or what the names of them are. They spend 2 days memorizing the books of the Bible and then competing every night for an hour trying to find specific chapters and verses. Then, when they have found them, they jump up from the quiz pads and the first one up gets to read the verse out loud. It was a lot of fun to watch! The picture to the lower right is of 2 of the boys enjoying their first lunch at camp. This is one

of the best parts of camp because my mom does such a good job of planning each meal and the kids get more than enough to eat. (They are also so hungry from all of the activity!)

If you missed out on summer camps or can't wait to get back, we have 2 coming up this fall that you can register for now.

One is our fall horse camp September 22-24th for ages 8-18. It is a Friday night through Sunday afternoon. We have volunteers here who will help all skill levels from beginners to advanced riders learn more about horses and God's role for us in taking care of and enjoying them.

The other is our Guy's Only high school camp, November 17-18th. This is a camp to help teenage boys learn what characteristics godly men have. If you are interested in more in-

formation for either one or would like to volunteer at one, please let me know.

As school is beginning to start, we are looking forward to the quiz season kicking off. Teams should be put together and starting to practice by the first week of September. If you would like to be part of this disciple making program, please let me know and I will help you get started! Our first quiz meet will be in October here in Grant! We will have 4 quiz meets altogether ending the regular season in January with Regionals and Nationals in March and April! You can find registration and volunteer forms for quizzing on our website.

## Personal updates

The picture to the upper right is Grace being cool at camp. She had a really good time her first year doing an overnight camp. It was really fun to see her finally out there being a camper after waiting for the last 7 years!

I want to thank each of you who have taken the time to pray for me and our family

during the last few months and who have sent financial gifts in support of this ministry as well! I have been very encouraged by your generosity. I would ask if you have not yet made a decision to partner with me, would you please consider starting this partnership with me this month? You can set up a monthly gift on our website very easily by following the

instructions to the left. Thank you so much again for your support and encouragement!
