Update

On July 12th we held our first pasture golf tournament at camp. As an intern I helped plan this event. With the help of the other Youth Challenge staff we had a very successful and fun event. We had nine teams participate and we raised around \$2,000 for the camp. It was so nice to be able to have this event and see people utilizing the camp and being able to fellowship.

On August 7-9th I am looking forward to being a counselor at our Horse camp. I am excited to be able to hold this camp and see a camp take place this year.

Please continue to pray for Youth Challenge and Camp Machasay. We are looking forward to hosting our horse camps in August and September. Please pray for clarity, safety, and wisdom as we are planning these events. If you would like to register for horse camp go to www.youthchallenge.us and scroll down to Camp Machasay, click on register now. We look forward to seeing you!

Recap

August is the last month of my internship. I am so grateful for this experience. I have grown in my faith, my love for others has grown, and I have gained

more Biblical knowledge. One thing God has really shown me throughout my internship is the importance of community. We must build our Christian community and surround ourselves with Christian brothers and sisters. Although we were not able to have camps this summer I was still able to be a part of our ministry. I am very blessed to be given this opportunity and the chance to be a part of this ministry. I learned through my internship that there is so much planning, praying, and work that goes into having a ministry.

Thank you!

I am so thankful for each one of my supporters. Thank you for praying for myself and Youth Challenge. Thank you for also supporting me financially. I couldn't have done this internship without your continued prayers and support. Each month God gave me a new supporter and really blessed me through this. Although I am sad my internship is over I am excited to be going to college this fall! I hope to keep in touch with all of you and I pray for blessings and health for you and your families.

Please contact me if you have any questions or prayer requests.
