

Frazier Ministry Monthly

Over the fourth of July weekend we had the opportunity to go to California to see some of my family. We were able to unplug and had many chances to catch up with family, go to the beach and just relax. We came home refreshed and geared up to jump back into camp ministry. Micaila and I find it very difficult to relax at home, with camp visible from the window, so it is important for us to actually leave the property to unplug and recharge.

On July 12th we held our first ever pasture golf fundraiser at camp. We had nine teams which worked perfectly with the nine-hole golf course we set up. The original idea for this fundraiser came from our summer intern, Meredith. It was a fun time that brought many people from different communities together. Micaila was on one corner of the course and I was stationed on the other side. She was making sure people stayed hydrated and I had the tractor and water trailer and was on watch for potential fires from ATVs or side by sides people were allowed to use on the course. Because of where we were both positioned, we were each able to talk with all nine teams as they passed. I enjoyed seeing old friends and new faces. The fundraiser was a success and there was lots of enthusiasm and interest in it becoming an annual event!

Our first camp of the year (because of cancelations due to COVID) will be Aug 7th-9th. It will be our first of two horse camps and it still has some spots open. Micaila is in full swing planning and staffing it. She could use prayers as she works with the local public health department and local hospital on making sure we are taking all the right precautions with COVID still affecting our daily lives. It has been very challenging for us as a staff in keeping up with what is required, what information is true or false, and what decisions would be the wisest to make moving forward. An important part of our ministry is not taking sides. We are to be a light of hope, love and encouragement and a living testimony of the Gospel to those around us, especially in times of frustration and discouragement for so many. Would you please pray for us as a staff, that we wouldn't become discouraged or hardened by all the anger and confusion around us? Pray that we would continue to keep our eyes on Jesus and what He wants us to do.

Aug 17th-19th I will be going with a group of men to the Colorado mountains on an annual horseback and fishing trip. There will be a few of us who have gone consistently year after year, and a few going who have never been. Our goal with this trip is to invite new men every year and give them the opportunity to fellowship with solid Christian men, experience God's creation in a remote location, and enjoy time together studying God's Word. Around the campfire after dinner some of us will have the opportunity to share the Gospel with the other men. Please pray all of our hearts would be open to what God wants to do with us.

I have been invited to go on a motorcycle ride Aug 21st-23rd with people I have wanted to get to know better. We will be riding to Cripple Creek, CO for a veterans memorial ride. I have not ridden my bike in the mountains very much and I look forward to the opportunity and to see what doors God opens up for ministry. Please pray for safety and good weather!

Serving Christ together,

The Fraziers

Prayer Requests & Praises

- Our marriage
- Our personal ministry
- Direction for camp ministry this fall post-COVID restrictions
- The peace of God brought to an unbelieving people during a time of calamity & unrest
