

Dear Camper,

You are coming to horse camp! We are looking forward to meeting you and getting to know you and your horse! The instructors are so excited to work with you and help you with your goals. A couple of things to cover before you arrive. Check in is in the Lodge and arrival is 5:00pm. Please do not arrive before this time as there may not be a staff member to greet you. PARENTS – check out is at 4:00pm Sunday and is by the horse pens. YOUR camper MAY NOT check out until your assigned horse pen has been cleaned and inspected by a staff member. Once inspected and passed, your camper will be released and can go home. Make sure you review the packing list below and pack accordingly. Also, please refrain from bringing any electronics (ie. Cell phones, computers, tablets, CD players, MP3 players, etc.) One of the unique qualities of coming to an event at Camp Machasay is that you get to take a break from the normal routine and enjoy the peace and quiet of the country along with focusing on building new relationships. Don't worry! If you need to get hold of your parents or vice versa, all of the staff have cell phones and there is a land line in the camp office. Come prepared to have fun, make new friends, learn about horses, and most importantly, learn more about God and His purpose for you. See you soon!
